The Good Neighbor Program

Providing financial support and navigation to community resources for those financially impacted by COVID.

The Good Neighbor Program

The Good Neighbor Program (GNP) was born in the on-set of COVID-19 when the need for navigation and support for basic needs became more prevalent than ever. The program allows neighbors, school counselors, or other partnering organizations to nominate individuals or families who need access to resources and potentially support with past-due bills. We provide navigation services for both internal resources within MVCC, and the many resources available in our local community of FME and extended communities.

TESTIMONIALS

"Thank you, thank you, thank you!!! This was such a pleasant surprise getting this call. I have been trying to get support and help with some of my bills and this was a gift from God.

With everything going on in the world, it is nice to see someone is still willing to help others. God bless your program!!"

"Due to Covid19 I lost my job soon after the announcement was made then my husband's hours were cut, then he lost his job entirely! We have four children and taken care of them was never a problem until now. This fund has helped us with our rent for the month and has taken away some anxiety from our family. We are so grateful for your help!"

-Good Neighbor Program Recipients

The Good Neighbor Fund

On top of navigating to other possible financial support, through MVCC's *Good Neighbor Fund*, some individuals may qualify for help with basic needs such as housing, utilities, or other financial obligations. We continue to prioritize individuals and families that were self-sufficient before COVID-19, but have been impacted by the pandemic and are no longer self-sufficient. We are accepting applications to serve our neighbors in need with monetary support to help them cope with the uncertainty and financial hardships brought on by the pandemic, inflation, or personal hardships.

We call this the *Good Neighbor Fund* because you must be nominated by a neighbor, friend, or referring organization; **you cannot self-nominate**. All gifts are paid to a third party (landlord, utility company, childcare provider, etc.), not directly to the nominee. **Nominees must live in Edgewood, Milton or Fife; or have children attending schools in Edgewood, Milton or Fife.** Nominator can live outside of the area.

Thank you for being a good neighbor.

Navigation Services

Our staff is able to assist individuals with accessing vital community resources. They engage and develop relationships with a variety of resource providers and merchants in the community to find helpful resources and information. We know that there are a lot of options for resources, and our staff will help individuals navigate through the options and refer clients to appropriate organizations.

While our *Good Neighbor Fund* has geographical restrictions, our navigation services are available to all.
