BOARD OF DIRECTORS

MOUNTAIN VIEW
COMMUNITY CENTER

It Starts With Us

LETTER FROM OUR ED

Dear Friends and Neighbors,

As the new Executive Director for Mountain View Community Center, I am filled with gratitude and pride for what has been accomplished together. I am deeply inspired by the resilience and generosity of all of you through a year of transitions and opportunities. Our mission to develop *successful kids, hopeful families, and active seniors* has never been more vital. We do this by serving as a place of wellness and belonging with compassion, connection, and opportunity for the Edgewood, Fife, and Milton communities.

Our Impact This Year

- We provided thousands of meals through our food programs, ensuring families had access to healthy, nourishing options.
- Our youth initiatives gave children a safe space to learn, grow, and build confidence.
- Seniors found companionship and support through our wellness and social activities.
- Volunteers contributed countless hours, reminding us that the heart of Mountain View is truly the people who give so generously of their time and talents.

Gratitude for Our Partners These achievements were possible because of our donors, volunteers, and partners. Your contributions of time, resources, and financial support allowed us to meet urgent needs while building long-term programs that strengthen Edgewood and surrounding communities.

Looking Ahead In the coming year, we will:

- Expand youth empowerment programs to reach more students.
- Strengthen food security initiatives to serve families consistently.
- Enhance senior wellness activities to foster connection and belonging.
- Continue transparent financial stewardship to ensure every dollar maximizes community impact.

On behalf of our Board of Directors, staff, and volunteers, thank you for walking alongside us. Together, we are building a stronger community built on hope and resilience.

With hope and gratitude,

Angelina Koenig
